| excellent: 5 | 31 | 59.6% |

Additional Comments

Miss Black did a great job of summarizing the content for a quick lesson. I feel confident in using the tool.

I was not able to log in to eDoctrina. Many others had problems with this as well.

Go intro to program

I need some training for eDoctrina

All the afternoon classes were informative and helpful.

I feel I needed more practice time and time for questions and answers.

I trained myself in eDoctrina last Spring and this Summer. I had already completed some units and lesson plans, so the information provided there was something I was already familiar with.

Interesting, but NO TIME to use in class.

I needed more time in the edoctrina training

Appreciated the breakout session with Nicole Vagle. I had some questions regarding the book and was able to address those 1-on-1.

How did this workshop contribute to your professional growth?

Gave me a brief overview.

More detailed direction on how to enhance student engagement

I will be able to put lesson plans online and monitor what standards I actually use.

I think lesson planning will be more structured and easier to complete.

I can use it to share ideas.

Gave structure to progression of discipline

It will allow me to use the eDoctrina.

Current movement towards lesson and curriculum planning

Additional information on formative assessments.

Introduced me to edoctrina which will be used by the district

Provided with many different activities to use in the classroom.

It provided some teaching strategies. It will be an area to explore

Lesson planing curriculum development curriculum organization

I have new ideas regarding diversity of student behaviors.

I was exposed to several resources that i believe will be useful if i have time to implement them

Gave me organizational tools for lesson planning.

eDoctrina is require to use this. I hope the time invested to developing the lesson plans are worth the time taken away from class preparation!

eDoctrina will formalize the work I present to my students. This will make me more directed in my work.

The importance of explaining the rubric to students to motivate them to strive to do their best.

utube presentation before school in fall to utilize over summer would have assisted us to feel more confident need to use for lesson planning

Gave updates on teaching practices

Prepared me a little for what is expected.

We have to use eDoctrina this year to write up our lesson plans and SLO's so it was nice to become familiar with it.

Not sure

I can use eDoctrina to create lesson plans.

It gave me valuable insight on what I need to be doing and how to do it.

I don't feel as though it did.

I personally was unable to login. I was told it is because I don't have a class in power school.

Speaker gave many ideas to incorporate into my teaching.

We have to use this for our lesson plans so it is important that we learn how to use it properly.

They did not. They presented information I personally had already familiarized myself with- it gave me a brief picture of lesson plans on edoctrina

Better understanding of eDoctrina.

Introduction to eDoctrina.

How to use technology in lesson planning and in math practice

1. Introduction to eDoctrina and where to find it, and how to launch it 2. Working together with staff

Introduced me to e-doctrina

Ann always does a nice job of demonstrating what to do in an easy to understand way. Thank you for sharing edoctrina with us. This will help with lesson plans.

Refresher course

know how to use new lesson plan format

Edoctrina will be useful if it is used for more than a year. It will make lesson planning easier.

aid me in my lesson planning and organization

Unknown

I learned another way to write lesson plans and organize them.

I will be able to use edoctrinia to create weekly lessons

Showed how to submit lesson plans for future times

Edoctrina- frustrated... more so with the assessment section..

I was able to get a better grasp of Edoctrina.

Will be able to use eDoctrina

Provided different ideas for formative assessments Provided training for new lesson plan format

I can start using the edoctrina for my lesson plans.

I now understand the basics of edoctrina which is a required practice.

This will help me map out my curriculum.

fulfilling a requirement of my employer

Edoctrina contributed to my professional growth in terms of a new way to create online lesson plans.
